

New Family Referral Program

Would you like to receive a **\$1000 tuition credit?**

Parents are the best promoters of Christian education and we want to thank you for recommending Conway Christian School to your family and friends. Through our New Family Referral Program, you will receive a \$1000 tuition credit for each new family you refer to Conway Christian School who enrolls a full-time student (see #3 below), meets all admission requirements and is officially admitted by the School Board.

Here's How it Works!

Parents and guardians will receive a \$1000 tuition credit for each new family they formally refer to Conway Christian School and who is accepted based on admission requirements. Tuition credits will be applied to the referring family's account after the new student has attended school for 30 days. All referrals must adhere to the New Family Referral Program's rules and regulations.

Who is eligible/ineligible to participate?

- All current parents, grandparents, guardians, and benefactors who currently pay tuition at CCS, are eligible to participate in this program.
- Referrals of new families enrolling preschool students are very much appreciated but are not eligible for the referral incentive program.

Rules and Regulations

1. **It is your responsibility to submit a completed New Family Referral Form to Conway Christian School for each new family you refer before the new family formally applies for admission. No exceptions will be made to this requirement. Referrals may not be made retroactively.** Forms are available in the school office and online at conwaychristian.org.
2. The referred family cannot be in the school's database concerning a previous enrollment inquiry or had children previously enrolled at CCS.
3. The new family must enroll a full-time K5-12 student at Conway Christian School.
4. Regular enrollment criteria must be met. Final decision for family acceptance rests with the recommendation from the school administration and final approval by the School Board.
5. If a new student begins attending school after the academic year has begun, the tuition credit awarded to the referring family will be prorated based on the student's first day of attendance.
6. There is no limit to the number of families that you may refer; however, the total tuition credits received may not exceed your tuition in a given school year.
7. The referral incentive program begins immediately, however, the tuition credit will be applied in the 2016-2017 school year, after the new student has attended school for 30 days.
8. CCS retains the right to reevaluate, revise or cancel this program at any time.
